### **WE ARE...**

**A Health program for people who have little or no access to health care and are in one of these situations:**

- **Living on the streets**
- **Living in temporary shelters, motels, or rooming houses**
- **Living temporarily with friends or family**
- **At risk of becoming homeless**
- **Coming from a treatment centre or corrections with no permanent housing**

### **OUR VALUE STATEMENT**

**We are committed to providing accessible, non-judgmental, quality services to the homeless and those at risk of homelessness.**

**Our wholistic philosophy addresses the total health and wellness of each person.**

**This initiative identifies the needs of those who require access to healthcare, foot care, dental and personal hygiene, as well as, identification replacement for the purpose of accessing healthcare or other government programs.**

**For appointments or more information regarding any of our programs, please contact  
Street Health:**
