

## **The Carol Mueller Mental Health Champion Award**

The Canadian Mental Health Association, Windsor-Essex County Branch (CMHA-WECEB) awards the Carol Mueller Mental Health Champion award annually each May during Mental Health Week. The award is presented to an organization or individual that continues the legacy of Carol to educate, raise awareness, and create a culture of help-seeking behavior in Windsor and Essex County.

Carol Mueller was a mental health educator and consultant to many community agencies, in addition to her role as Executive Director with Alive! Canada. Carol was a dedicated and tireless advocate of suicide prevention and awareness. Her far-reaching message of suicide education and prevention undoubtedly saved lives.

CMHA-WECEB has committed to keeping Carol's legacy alive, not only by naming this award after her, but by continuing her great work. Together with our community partners and citizens, CMHA-WECEB pledges to carry on the work of educating, raising awareness and training as many people as possible in suicide prevention and intervention, and in Carol's words "create a culture of help-seeking behavior in Windsor and Essex County".
