GIVING IS CARING

We can all make a contribution to the well-being of our community.

IF WE ALL GIVE A LITTLE, TOGETHER WE GIVE A LOT.

That's why we created the Giving is Caring program
- to recognize that our success depends on each and every one of us.

We all know how important the Bereavement Program is to our community.

Our Bereavement Program gives strength and hope to hundreds of people at one of the most vulnerable times of their lives.

The program relies on community support to provide a breadth of services that embrace individuals and families.

Client Assistance Fund

The Client assistance Fund is available for some of our most vulnerable clients. This fund can be accessed for items such as bus tickets and food.

Community well-being is our sole focus.
